- (1) On the application of any agency or organization which transports persons with a disability described in KRS 186.042 as part of the service provided by that agency or organization to the county clerk for an accessible parking registration plate for a vehicle used in the transportation of persons with a disability, the Transportation Cabinet shall issue the agency or organization an accessible parking registration plate or renewal decal designating the vehicle licensed as being owned or leased by an agency or organization which transports persons with a disability. The license plate or renewal decal may be issued for a passenger car as set forth in KRS 186.050(1) or for a commercial vehicle as set forth in KRS 186.050(3)(a). The registration plates issued shall bear the international symbol of access adopted by Rehabilitation International in 1969, reading from left to right, and shall be followed by the numbers or letters the cabinet finds expedient. The cabinet shall not charge any fee, other than the regular fee for annual registration, for the issuance of the registration plate or renewal decal.
- (2) The application for a license plate for an agency or organization which transports persons with a disability shall be made on a form prepared by the Transportation Cabinet. The license plate and decal on the other vehicle shall be turned into the county clerk, who shall forward the license plate to Frankfort.
